

I bought you this gift that will help the children at Destiny Garden School, Mombasa!

An educational trip for all the children in one class

Destiny Garden School is a primary school in one of the poorest suburbs of Mombasa, Kenya. It provides a good education and a nutritious lunch with clean water to around 400 disadvantaged children, some of whom would otherwise struggle to get an education.

The school is supported by Destiny Children, a Macclesfield-based registered charity, which sends 100% of its donations, including Gift Aid, to DGS. The committee members cover all the costs of running the charity.
